Production of total packaging and components			
Component A			
Production	☐ In-house production ☐ External production		
Company of external production			
Postal Code / City		Contact Person	
Street, No.		E-Mail	
Component B			
Production	☐ In-house production ☐ External production		
Company of external production			
Postal Code / City		Contact Person	
Street, No.		E-Mail	
Component C			
Production	☐ In-house production ☐ External production		
Company of external production			
Postal Code / City		Contact Person	
Street, No.		E-Mail	
Component D			
Production	☐ In-house production ☐ External production		
Company of external production			
Postal Code / City		Contact Person	
Street, No.		E-Mail	

If there are more components, please copy this page and enclose it with the application!

Application for certification: Recyclability of Packaging

Recycle
Me

Certificate	
Certificate issuance	☐ digital ☐ as paper version
Language	☐ German ☐ English ☐ Others,
Company logo at certificate	Display company logo on the certificate (only if provided format is compatible with word-file) ☐ YES ☐ NO

Certification mark (seal)	
Seal	 ☐ flustix and its internationally recognised certification mark enable companies to communicate the recyclability of their packaging credibly and securely - both digitally and analogue. Based on the PPWR, flustix RECYCLABLE supports compliance with and verification of extended producer responsibility (EPR), national plastic taxes and the CSRD. The Green Claims Directive (GCD) and the Empowering Consumers for the Green Transition Directive (ECGT) mandate that green claims must exclusively be verified and communicated by recognised and independent certifications such as flustix moving forward.
Language	☐ German ☐ English ☐ Others,
